

FAMILY TEAMS 2017 LEAGUE TABLE

Family League 2017 - Final Standings

You will be automatically included in this league table if your team contains two or more people that are related to each other and you ticked the 'Family Team' box when you entered. Only your best one-day adventure race result (in terms of most series points) counts towards your position which will be finalised after the last one-day race of the series / year. Teams can therefore try to improve their position / score by taking part multiple one-day races throughout the year. The most recent change - **increase in points** / **drop in position** - (i.e. since the previous race) is shown down the left hand side.

Change in points in position	Position	Team Name	Team Members (All)	Category & Position	Class & Position	Veteran	Events Done	Best Event	Best Result Race Score	League Points
